ADDITIONAL LIGHTING ON OUR PROPERTY GROUNDS

We recognize the importance of providing a safe and welcoming environment for everyone who visits our parish. In response to parishioners' concerns about safety, particularly in areas around our parish hall, church, and rectory that were not adequately lit, we have taken steps to improve outdoor lighting. This week, three new lighting poles were installed on the property to enhance visibility and provide better illumination around our buildings. We hope these improvements will help parishioners, visitors, and staff feel safer and more comfortable when on our property, especially during evening hours. Thank you to everyone who brought these concerns to our attention. Your feedback helps us continue making our parish a safer and more welcoming place for everyone.

HEARTFELT THANK-YOU

Absent: Nat Figliano, Bev Flanagan and Bob McCauley, Remo Talarico (Villanova). Our fall clean-up at Sacred Heart Cemetery is complete, and the grounds are now tidy and ready for the winter ahead thanks entirely to the volunteers who gave their time and effort. Keeping our cemetery cared for is one of the ways we honour the memory of those buried there. Thank you all for choosing to serve our parish community in a place that holds so much meaning for so many. A special acknowledgement to Michael Pallotto and to the **two students from Villanova College** who joined us as part of their Community Involvement Activities.

SANCTUARY MARBLE FLOOR INSTALLATION

We are truly grateful for the generosity of our parishioners and for the support we have received through donated materials and services. Thanks to your kindness and generosity, work on replacing the existing vinyl flooring with the marble in the Sanctuary area will begin on **Monday, November 16th**. Please note that during the installation period, **all weekday and weekend Masses will be celebrated in the Parish Hall** until the work is completed. We apologize for any inconvenience this temporary arrangement may cause and sincerely appreciate your patience, understanding, and continued support as we work to enhance our church.

Thank you for being part of our parish community and your ongoing support!
