SUNDAY, JUNE 9<sup>th</sup>, 2024

Join us for Holy Mass on  
**Thursday**, as we Celebrate  
the Feast Day of St. Anthony

Known as the patron saint of the poor, of sailors and fishermen, of priests and travelers, a protector and guardian of mail. St. Anthony was born in 1195 (13 years after St. Francis of Assisi) in Lisbon, which is now known as Portugal. Given the baptismal name of Fernando, his parents, Martin and Mary Bulhom, belonged to one of the most prominent families of the city. At the age of 15 Fernando entered the religious order of **St. Augustine. Monastery**. After two years, at his request he was sent to Coimbra (cornbrow). There he began nine years of intense study learning the Augustinian theology that he would later combine with Franciscan vision. Fernando was most likely ordained a priest during this time. **Many people think of St. Anthony as the “finder of lost items”**. The reason for invoking St. Anthony’s help in finding lost or stolen items is traced back to an incident in his own life. **Many images of St. Anthony picture him with lilies and the Christ child**. The lily is meant to remind us of St. Anthony’s purity and our own need to pray for the grace of purity in times of temptation. To this day, St. Anthony of Padua is one of the Catholic Church’s most revered and popular saints. One of the reasons for this is likely that his life was what every Christian’s life is meant to be — a steady courage to face the ups and downs of life, the call to love and forgive, to be concerned for the needs of others, to deal with crisis, both great and small, and to have our feet solidly on the ground of total trusting love and dependence upon God.
