This is what Easter is: It is the exodus, the passage of
human beings from slavery to sin and evil to the freedom of love and goodness.

Pope Francis

SUNDAY, MARCH 31st, 2024

"Christ is risen; He is truly risen!"

On this day we proclaim that He, the Lord of our lives, is "the Resurrection and the life" of the world (John 11:25). Today is Easter, the *Pasch*, a word that means 'passage', for in Jesus the decisive passage of humanity has been made: the passage from death to life, from sin to grace, from fear to confidence, from desolation to communion in Him, the Lord of time and history. May this Easter be for each of you, and for the sick and the poor, the elderly and those experiencing moments of trial and weariness, a passage from affliction to consolation. We are not alone: Jesus, the Living One, is with us, forever. Let the Church and the world rejoice, for today our hopes no longer come up against the wall of death, for the Lord has built us a bridge to life.

Pope Francis

We extend our heartfelt gratitude to all those who contributed to the 'GIVING TREE' located in the Narthex.
