## TIP OF THE MONTH.....

The Catholic Women's League National Office is continuing with the theme "Care of Our Common Home"; respecting and being responsible for the stewardship of our community, the environment, our Country and planet. Like all good habits, initiatives start at home.

### **Plant a tree!**

Fall is finally here! What better way to celebrate than by planting a tree that is native to our area. Not only are trees therapeutic for our mind and body because of their outstanding beauty; but, they are the lungs of the earth that clean our air of carbon dioxide. They stabilize the ground and earth and reduce flooding and provide shade. Trees also make wonderful gifts. Please be sure to take care of the trees you already have.
