## IMPORTANT INFORMATION

\*\* NARTHEX PROJECT \*\*

We are happy to report that the fence has been installed and we are waiting for King Township to release the building permit. Aquicon Construction is ready to begin work as soon as we receive the Building Permit, which we hope will be early this week. During construction of the Narthex Addition, appropriate signage will be posted throughout the Church Property directing all to access the church via two temporary entrance locations.

### \*\* TEMPORARY ENTRANCE LOCATIONS \*\* CHANGES

**MAIN ENTRANCE:** Via the “Breezeway” doors located between the Church and Hall through the walkway

**BACK OF THE CHURCH BUILDING ENTRANCE:**

For those parking in the back - Via the “Breezeway” doors (we will be extending the walkway with pavers soon)

We ask that you kindly leave the parking at the front and back entrances for the elderly, those who need assistance, and those with small children.

We thank you for your cooperation and understanding.
