### The Wedding at Cana Jesus' First Miracle

The transformation of water into wine at the wedding at Cana is the first miracle attributed to Jesus in the Gospel of John. In the Gospel, Jesus Christ, his mother and his disciples are invited to a wedding. When his mother notices that the wine has run out, Jesus delivers a sign of his divinity by turning water into wine at her request. May our hearts be gentle and decent and share all the people in their feelings, in deep love and in complete obedience to truth.

### OUR CHURCH NEEDS YOUR SUPPORT

We are grateful for your ongoing financial and non-financial support to our parish and we thank all the volunteers for making this possible. One way to help our parish, financially, is to consider using the Pre-Authorized Giving Program (PAG). Enrolling in this program, will provide a consistent flow of funds that will be used to ongoing operational expenses. This program is administered directly by the parish office. Once registered in the program, you decide how much you want to contribute to the parish on a monthly basis and it is automatically withdrawn from your bank account once a month. Those who are currently enrolled in the program, your consideration to increase your contribution is greatly appreciated. Forms can be found in the foyer of the church or you can download from the website under the heading PARISH LIFE (sub-heading) FORMS, then click on PAG or you may contact the Rectory/Office [sacredheartchurch@zing-net.ca](mailto:sacredheartchurch@zing-net.ca) or 905-833-1161.

SUNDAY, JANUARY 16<sup>th</sup>, 2022

Eternal Father,

You have made the whole world stop walking for a while.  
You have forcibly silenced the noise that we have all created around us.

You have made us bend our knees and ask for miracles.

You closed Your Churches so that we realize how dark our world  
is without You in it.

You humiliated the proud and powerful. The economy is collapsing,  
businesses are closing.

We have been very proud to think that everything we have, everything we own, have been  
the result of our hard work.

We have forgotten that it was Your grace, Your mercy,  
that made us who we are and has given us everything we have.

We are going around in circles looking for some cure for this disease, when in fact we  
need to humble ourselves and ask for guidance and wisdom only from You.

We have been living our lives as if we are here on Earth forever,  
as if there is no Heaven, no Purgatory, no Hell.

Perhaps this virus is actually Your way of purifying and cleansing our souls,  
bringing us back to You.

Today, as these words travel the internet, may all who see them join their hearts and  
hands in prayer, asking for forgiveness, asking for healing and protection against this  
virus, but above all, asking that Your Holy and Divine Will be done and not ours.

*GOD* we beg You, deliver us from all evil on Earth if it is Your will!

Father, You have been patiently waiting for us to turn our faces to You,  
to repent of our sins. We are sorry to ignore Your voice!

Selfishly, sometimes we have forgotten that You are *GOD*!!

Lord, I am not worthy to have you come into my house,  
but one word from you will be enough to heal me!

You Lord only need to say the Word and our souls will be healed.

We ask You for healing and deliverance in Jesus' name! By the infinite merits of his  
Most Sacred Heart and of the Sorrowful and Immaculate Heart of Mary. Amen.

*Pope Francis*
