Pope Francis will begin his seven-day trip to Canada this Sunday, and has asked for our prayers to accompany him on what he called his "penitential" pilgrimage to Canada to apologize to Indigenous groups.

### \*\* NARTHEX PROJECT \*\*

We are pleased to announce we have received formal authorization from the Archdiocese of Toronto to proceed with construction of the Narthex Addition.

The Site Plan Agreement has been executed and Building Permit is ready to be released by King Township once the appropriate Construction Fencing has been installed.

The construction contract with Aquicon Construction has been completed and Aquicon will be mobilizing on site early August, to erect the appropriate construction fencing and commence construction.

During construction of the Narthex Addition, appropriate signage will be posted throughout the Church Property directing all to access the church via two temporary entrance locations.

### **Temporary Entrance Locations**

**North Entrance:** Via the Church Hall

**South Entrance:** Current south side door entrance adjacent to the south driveway

We wish to express our appreciation to all participants who have made this vision a reality and a further appreciation to all parishioners for your patience and understanding during this process,
