Beverly Flanagan, CWL President

"God our Father, we give you thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation, may they find courage and  
perseverance to balance work, family and faith in joy and sacrifice.

We pray for our own father around the world whose children are lost or suffering;  
may they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor  
and guide us with fatherly love and advice.

We remember fathers, grandfathers, great-grandfathers, god-fathers, step-fathers,  
And those who are no longer with us but who live forever in our  
memory and nourish us with their love". AMEN.

Happy Father's Day!
