

SACRED HEART BELL GARDEN OF FAITH, HOPE, LOVE

“Rejoice in the beauty of flowers blooming, the sound of bells ringing, the harmony of the choir singing, that brings us and the community together in prayer”

Graciously Donated and Written by Mike & Anna Albo

The Sacred Heart Church bell was blessed by his Excellency Bishop John A. Boissonneau, Auxiliary Bishop, Northern Region during Holy Mass on Sunday, September 10th, 2023. The brass bell weighing approximately 1200 pounds was installed inside the tower on Monday, September 11th. We are grateful to the Albo family for their donation of the Bell and the Verduci Family for their donation of the Steel Tower.
